

# Second International Conference on Next Generation Sustainable Materials for Water and Energy Solutions (SuWatE+' 26)

Department of Chemistry, SAS

In association with

March 26-28, 2026

[www.suwate2026.com](http://www.suwate2026.com)

Email: [suwate@vitap.ac.in](mailto:suwate@vitap.ac.in)

## About SuWatE+'26

Our conference aims to foster discussions and innovative solutions by exploring the current fundamental understanding of chemistry to address energy and water challenges. Additionally, we will focus on enhancing light-matter interactions, designing and synthesizing novel materials, and employing in-situ techniques to study chemical processes for water and energy solutions.

### THRUST AREAS

- Materials for water and energy applications
- Water for sustainable development
- Energy for Sustainable future
- Sensor science and technology
- Theoretical and computational methods for water and energy solutions

### REGISTRATION & PAYMENT

### ABSTRACT SUBMISSION

### Important dates

Abstract submission opens: **November 10, 2025**

Abstract submission closes: **February 28, 2026**

Acceptance notification: **March 1, 2026**

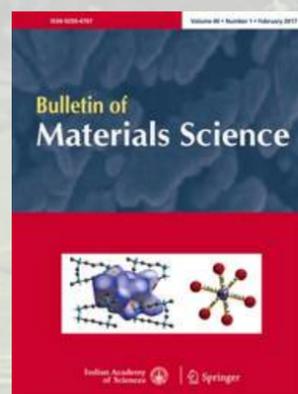

### JOURNAL PUBLICATIONS

Manuscripts submitted will be peer reviewed and accepted papers will be published as a special issue of the journal

#### Advanced Sustainable Systems

Impact factor: 6.1  
Wiley Publisher  
SCI | SCIE | SCOPUS

#### Bulletin of Materials Science

Impact factor: 2.1  
Springer Publisher  
SCIE | SCOPUS

#### Water and Environment Journal

Impact factor: 1.8  
Wiley Publisher  
SCI | SCIE | SCOPUS

#### Chemosphere

Impact factor: –  
Elsevier Publisher  
SCI | SCOPUS

### Convenors

Dr S Muthu Prabhu – 99444 98483 | Dr Moru Satyanarayana – 99597 04030 | Dr Illa Ramakanth – 95734 32526

VIT-AP : Ranked #1 among Emerging State Private Universities in India (Outlook University Rankings 2022, 2023 & 2024)
